### **About Bread For Life**

Bread for Life is Southington’s soup kitchen. We prepare and serve 40,000 meals each year to those in need in our community. Hot meals are served at noon in our dining room Monday-Friday. Hot lunches and cold bag dinners are delivered to homebound clients in our community. We also provide weekend groceries for all our clients. We serve a group lunch twice weekly to all residents of Southington Housing Authority apartments and Section 8 housing. These group lunches give seniors an opportunity to share a meal in their community twice a week. In addition, we have collaborated with the Southington Board of Education to ensure that breakfast is available to students in all Southington public schools. We also provide a children’s summer lunch program in low-income neighborhoods and to children who receive free or reduced lunch during the school year.

Funds for the Home of Distinction will help Bread for Life fulfill its mission to ensure that no one goes hungry in Southington.
